

True friends
are those
rare people
who come to
find you
in *dark places*
and *lead you* back
to the **light.**

Steve Aitchison

We don't
meet PEOPLE
by accident.
They are meant
to **CROSS OUR**
Path
FOR A REASON.

Find YOUR
tribe.
Love them
hard.

Sometimes
you put walls up
not to
keep people out,
but to see
who cares enough
to break them
down.

Socrates

Anything is
possible
when you have the
right people
there to support you.

Misty Copeland

Friendship
is the comfort
of knowing
that even
when you feel
alone,
you aren't.

What **draws**
people to be
friends is that
they see the
same truth.
They share it.

C.S. Lewis

FRIENDSHIP
is not about who
you've known the
longest.
It's about who walked
into your life, said
« I'm here for you »
and **proved it.**

I may not
always be there
with you,
but I will
always be there
for you.
